RECALL NOTICE

TO DETERMINE IF YOUR SPOTLIGHT IS SUBJECT TO THIS RECALL

- Step A.** Remove the spotlight lens assembly from spotlight.
- Step B.** Remove the rubber shroud from the spotlight lens assembly.
- Step C.** Find model number sticker on spotlight lens.
- Step D.** Only n°5338-792 is subject to the recall

If your spotlight does not have the number 5338-792, you can easily replace the lens and continue to use this product. If you determine that your product has this number, return the spotlight lens to Coleman at the address shown below, and they will exchange it for a new Coleman® flashlight. Your freight costs will be refunded.
